NOTE! WHEN ORDERING PARTS, PREFIX ALL NUMBERS WITH CS, EXAMPLE CS -

4. RELATIVE PARTS FOR LOWER FEEDING, NEEDLE PLATE & HOOK

NOTE! WHEN ORDERING PARTS, PREFIX ALL NUMBERS WITH CS, EXAMPLE CS -

A high-contrast, black and white photograph of a circular object, likely a wheel or a large button. The object has a central circular hole and is divided into several segments by radial spokes. The surface is heavily textured with numerous small white specks and scratches against a dark background. The lighting creates strong highlights and shadows, emphasizing the three-dimensional form and the rough texture.

COMPLETE

A large, textured, black and white image of a mechanical part, likely a bracket or housing, with a circular hole visible near the bottom left corner. The part has a complex, angular shape with a curved top edge and a flat base. The texture is grainy and noisy, typical of a low-quality scan or a high-contrast image.
